GCEC Stockholm

Sweden 2019

Stockholm School of Entrepreneurship (SSES) is proud to host GCEC 2019. Join us this coming September for inspiration-filled conversations and new connections. Experience the world's leading minds in entrepreneurship and innovation in the capital of Scandinavia. GCEC 2019 is a centre and thought leader event, pushing the global discussion on entrepreneurship education forward.

Looking Forward

Forward Looking

How do we best prepare the entrepreneurs of tomorrow? How can we provide the tools to strengthen the student and entrepreneur against uncertainty? What solutions can augment the educational experience in strengthening the student and entrepreneurs against a future of uncertainty? The questions lie at the heart of global entrepreneurship education and we are thrilled to invite you all to participate in the conversation. Join 500 directors, researchers, educators, and change-makers from around the world to share knowledge and connect, in the largest annual event of its kind in the world. Find out more at GCEC2019.com

What is GCEC?

The Global Consortium of Entrepreneurship Centers (GCEC) is a global conference gathering the world's leading minds in entrepreneurship. As premier organisation addressing emerging topics in entrepreneurship, the GCEC has become the vehicle by which the global entrepreneurship ecosystem can work together to share best practices, develop programs and initiatives, and collaborate and assist each other in advancing, strengthening, and celebrating the role of universities in educating the entrepreneurs of tomorrow. Stockholm School of Entrepreneurship

The Stockholm School of Entrepreneurship (SSES) is a global platform for interdisciplinarity. Throughout our twenty-year history we have been elevating minds, generating ventures, forging connections and inspiring new ways of thinking. Today, we are a global network of silo-busters, system-thinkers and changemakers that work to question the taken for granted and strive towards a better future. [Read More](#)
