

Full scope nearshore logistics solutions for e-commerce

Cost-effective
Overnight delivery
Order assembly
Pay as you go
Customs management

Meet AD REM LEZ, Lithuania's **leading 3PL solutions provider** located in Klaipeda, the **northernmost Baltic ice-free port**. Over the past years, we have built solid experience in the **Nordic markets** by providing **full scope nearshore logistics** services to major Swedish and Norwegian B2C e-tailers and B2B companies. In a nutshell, we are offering Nordic companies a **cost-effective logistics solution** where we store / sort / mark goods from EU & third party manufacturers, clear customs on request, and assemble orders **for overnight delivery** to **last-mile distributors** in Sweden and Norway.

How it works?

Why it works?

- Lower real estate and labour costs
- Commitment-free contracts: pay as you go
- 1-2 hrs assembly intervals
- 10% cheaper to ship from MCP
- Daily shipments to Karlshamn, Nyneshamn, Trelleborg: up to 16hrs only
- Possible integrations with your ERP and Logtrade
- On-demand customs clearance: keep working capital

Our experience

International customers:

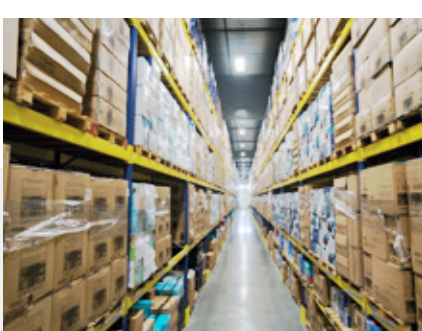

Nordic partners:
