## COBALT recognised as the best law firm in Lithuania

In the independent Prospera Law Firm Review 2021, COBALT received the highest overall score and No 1 position in Lithuania and shares this position with other two law firms.

“Law firms participating in this survey highly value the importance of this award and strive for the best result every year. The highest score from Lithuanian business representatives is a very important assessment of the work and efforts of the COBALT team. The main areas assessed in the survey are legal competence, brand awareness and legal experience in various fields. We are glad that we are the best in the eyes of our customers according to all these criteria. The first place in this survey gives us confirmation that we are on the right track and is the biggest incentive not to stop,” says Irmantas Norkus, COBALT Managing partner in Lithuania.

Based on the annual survey, which includes the largest buyers of legal services, COBALT Lithuania is leading in the fields of advisory, project management, project staffing and international competence in the Lithuanian market. In Lithuania, COBALT has been recognized as a team with the best legal competence in M&A transactions, Dispute Resolution, Public Procurement, Employment, Tax and Corporate Advisory. COBALT is also a leader in terms of brand awareness – the law firm is rated the best-known law firm in Lithuania.

Prospera Tier 1 Law Firm Review is an annual client satisfaction survey that covers top Baltic business law firms. The survey was conducted by the Swedish research company Kantar Sifo. The

top managers and lawyers of 100 companies operating in Lithuania, who used the services of law firms in 2020-2021, were interviewed. Survey participants were asked to name and rank the law firms in separate areas of activity and according to various legal competencies. The survey was conducted in September 2021.
