

Hi!

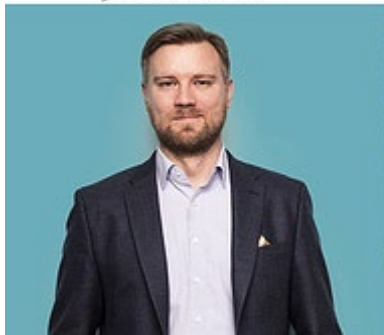

As the importance of digital marketing grows **Fondia** invites you to two Business breakfasts, that will help you find out how to avoid legal and reputational risks while implement your digital strategy.

„**Keeping Out Of Trouble in Digital Marketing**“ will take place 4th September at 9AM in Workland. [Register for free here.](#)

„**ROCKITalks: Red Lines in Startups Digital Marketing**“ will take place 5th September at 9AM in ROCKIT (former Rise Vilnius). [Register for free here.](#)

Speakers: **Julius Parikka**, senior legal counsel at Fondia and **Deividas Budginas**, CEO at digital marketing agency Komunikacijos amatininkai.

Julius Parikka

Deividas Budginas

The events will be held in English. We would very much like you to join us!

With law,
Fondians

Fondia is one of the leading innovative law firms in the Nordics and the Baltics. We are a full service law firm founded in 2004 and a forerunner in exploiting new service models and technologies in the legal field. Fondia has already over 250 Legal Department as a Service (LDaaS) partners and over 160 employees. The Fondia HQ is located in Helsinki and the other offices are in seven other Finnish cities and Vilnius, Tallinn, Stockholm and Gothenburg.
