

Kristina Nilsson, Senior Legal
Counsel and Team Leader

FONDIA

Swedish Business Fika

Business disruptions or new opportunities?

No major restrictions limiting business to operate

All companies can still act since there are no laws prohibiting going to work

However a lot of sick leave that affects, as well as people being careful

Risk relating to later insolvency

Governmental support might give false hope (support for short term leaves, lower taxes etc.)

Consider to secure payments and don't trust the official figures
